About me

Marketer by craft, builder by training. Here is the short version of who I am and how I work.

HELLO

Results-driven digital marketer, social media strategist and content producer.

With a foundation in Computer Applications (BCA), I run multi-channel performance marketing, B2B lead generation and high-converting video production across hospitality, real estate and digital platforms. I like building the whole campaign, from concept and camera to analytics and reporting.

Experience

2026 to now

APR 2026 TO JUL 2026
Marketing Lead
MGL Gemfinity
Architected pre-launch performance strategies and automated content workflows for a global real-time gemstone valuation platform, and led brand positioning to drive early user acquisition.

2026 TO PRESENT
Freelance Digital Marketer and Content Strategist
Self-employed
Directed media production from concept and camera work to post in DaVinci Resolve and CapCut, partnered with regional agencies on pitches, and ran international B2B lead generation through LinkedIn and cold email.

FEB 2026 TO APR 2026
Lead Marketer and Strategist (Contract)
Victox Agency, Kerala
Designed revenue-focused strategies, managed performance campaigns for local and regional clients, and built monthly analytics dashboards with 3D-styled data visuals. Handled a 14-floor apartment launch and FMCG campaigns.

JAN 2026
Marketing Strategist Intern
Haris and Co. Academy, Kozhikode
Ran live campaigns using agency frameworks for lead generation, audience targeting and content distribution.

Education

Bachelor of Computer Applications
Mahatma Gandhi University, 2022 to 2025

Advanced Digital Marketing Program
Haris and Co. Academy, Calicut
